

Name : Mehmet Görmez

Country : Türkiye

Birthday : 1'st of january 1959

**Job : President of the
Institute of Islamic Thought**

Prof. Dr. Mehmet Görmez is a prominent Turkish academic, theologian, and former president of the Directorate of Religious Affairs (Diyanet). Known for his scholarly work in Islamic theology and his efforts to modernize religious institutions in Turkey, he has contributed significantly to both the intellectual and religious spheres. Dr. Görmez has been involved in numerous interfaith dialogue initiatives and is recognized for his commitment to promoting a moderate and progressive understanding of Islam. He has authored several books and articles, particularly on Islamic jurisprudence, ethics, and the role of religion in contemporary society.
